Pertinent Paragraphs

On Monday we saw a traffic officer in Lemon Grove, giving a motorist a ticket.

Maybe this is news, even worth editorial comment? What do you think? Let us have your opinion. It may be good news for all. It may even be good news for the one who got a ticket. News reporting is important.

Giving the ticket handed out Monday night all the publicity possible, might save the lives of many. Without publicity it can only influence the one who was served with a ticket and those few who saw the happening.

☆ ★ ☆

Stray dogs in Monterey Heights are becoming a menace by destroying flower beds, gardens, etc.

One resident lost four valuable rabbits, due to stray dogs. Those who want to do away with their surplus dogs should find a more humane way, rather than scattering them around to starve.

We want residents of Lemon Grove to come forward with suggestions on how to solve this problem. We want to give it all the publicity possible. Those who want to dispose of surplus animals should be able to phone the proper authorities. Who are they? In this case we don't mind giving free advertising.

☆ ★ ☆

Are you helping the people of Lemon Grove do their shopping? They cannot walk from store to store and bargain. They are forced to do this in the slum districts of La Mesa, San Diego, Los Angeles, etc., because there is no parking space available and the merchants cannot afford to advertise on account of high rent paid in crowded sections. In Lemon Grove they shop through the advertising columns of the Lemon Grove Review.

HORSE SHOW JUNE 19th

Arrangements are being speeded up for the Mission Rancho Horse Show to be held on Tuesday, June 19th. An enthusiastic meeting of parishioners was held last Wednesday at the St. John of the Cross Church when reports of committees were received

Co-operation for the event was extended by the Lemon Grove Business Men's association, who had made arrangements for picnic grounds for that day. The Lemon Grove Picnic was postponed to Sunday July 17th, the first Sunday the picnic grounds are available after June 19th, so as to give the Mission Rancho Horse Show all the assistance possible.

The June 19th Horse Show is Lemon Grove's big annual event. Details of this year's program will be released soon.

New Stores For Lemon Grove

Taking a very broadminded view of the situation, Lemon Grove business men decided at their breakfastmeeting Tuesday morning to co-operate in having new stores located here.

This decision was made after a lengthy discussion of the merits of larger stores. It was agreed that certain Specialty Stores wouldbe an advantage for all concerned, business and professional men as well as residents.

The Board of Directors was structed to co--operate with all the other organizations in larger enterprises will locate in Lemon Grove.

Forward Club To Help Community Center Project

The Forward Club met Friday, April 22, at 2 p.m. in their club house. About 40 women attended.

Jackson Ammonns and Chris Ferguson attended to bring a model of the proposed community center and explain details about the coming building. The club voted to cooperate with the Chamber of Commerce in building the center.

The big bazaar for the club is coming up May 6.

Mrs. Ted Haaf, president of the club reported 12 ladies attended the county convention held in San Diego last week.

The date for the Mothers Day Tea given the senior members by the juniors was changed to May 13, due to convention dates conflicting.

Guests present were Mrs. Adams and Mrs. Clara Houchen of Blossom Valley.

Mrs, C. W. Early, County federation chairman of Conservation, was the speaker whose remarks dealt chiefly with the water situation in this section of the country.

She mentioned this locality has 4 local water sheds and 7 reservoirs, She touched upon the political battle over Colorado river water and mentioned some alternatives. We might secure water from the Columbia river, which would entail tunneling through 3 mountain ranges and be very expensive. There is also the possibility of de-salting ocean water which would cost 27 times as much as our water does at present.

Mrs. Early also spoke of our forests, citing danger of fires, and lack of adequate protection in the Cleveland National Forest, in which is located Palomar Observatory.

Mrs. Lawrence Carr was in charge of refreshments during the social hour.

New Secretary For Business Mens Club

Mr. W. J. Parsons was elected secretary of the Lemon Grove Business Men's Club at Tuesday morning's breakfast meeting. The election was made necessary by the resignation of Mr. Paul Duley, who is contemplating leaving Lemon Grove.

Mr. Duley deserves the thanks of the community for so much time and effort devoted to the welfare of Lemon Grove. Paul will be missed here by many friends and it is hoped that he will remain in Lemon Grove.

Mr. Parsons is a real estate man and has been an active member of the Business Men's Club since he became a permanent resident of Lemon Grove. We wish to assure the new secretary of the Business Men's Club that he will find the ready co-operation of all Lemon Grove business enterprises and organizations.

Community Center Model At Greeting Shop Windows

Mr. S. Blake of The Greeting Shop now has the model of the Community Center building with possible future addition on display in the windows of his store on Broadway, next to Lindley's Drug Store.

Why not stop on your way to the post office and inspect the model and also look at the floor plan as sketched adjacent to the model.

If you desire to participate, Mr. Blake of the Greeting Card Shop will be glad to take your name and list any contribution of yours you may wish to make, toward helping to make this project a reality without delay..

Messrs. Chris Ferguson, chairman, V. J. Dorman and Jasmes Mulder, members of the comittee expect to start construction on this building within a very short time.

Many organizations of this community have endorsed this building and have offered to work for its successful completion.

May we have your co-operation? If so please register with Mr. Blake, at the Greeting Card Shop in Lemon Grove.

Jalopy Derby Sunday, May 15th

The second annual Lemon Grove Cub Scout Jalopy Derby will be held Sunday May 15th, 1949 on the Glenco Hill in Montery Heights. The interest created in the race held last year has prompted the merchants to again sponsor cars for Cub Scouts and from what has been heard in the Grove better cars can be expected in the race. The sponsors and drivers will appear in next weeks Review, so watch for them and plan to attend and boost home your favorite car.

Community Picnic Date Definitely Set For Sunday, July 17

Arrangements are being made for the Lemon Grove Community Picnic to be held at El Monte Park on Sunday July 17th.

Final decision on the date for the picnic has been postponed to give the committees to be formed in the different sections of Lemon Grove a chance to have a say in the matter.

The understanding was to have the picnic on the first Sunday after school closes.

On account of the Mission Rancho Horse show on June 19, the picnic had to be postponed, and it was decided to hold the picnic on the first Sunday picnic grounds are available after the Horse Show.

VISITING HERE

Mrs. May Adams, Dr. Adams mother arrived recently from Galt, California to spend an indefinite period.

ORCHARD IRRIGATION

The irrigation season for orchardists is rapidly approaching. Assistant Farm Advisor J. J. Cooney has checked soils for moisture recently and estimates that many groves on sandy loam soils will need water by the end of April. Continued cool, cloudy weather will help postpone the irrigation.

Rainfall during the past winter has been sufficient to supply the requirements of the trees. However, rainfall has not been enough to leach or reduce the salt concentrations in the root zone. These salts have accumulated significantly during the past few years of very deficient rainfall. Indications of salt are the widespread and serious tipburning of avocado leaves, and some tip "saltburn" on citrus. Cooney suggests a thorough and somewhat heavier than usual water application for the first irrigation. Some leaching can thus be accomplished.

Last Concert At Grossmont May 7th

The fifth and last concert sponsored by the Grossmont Community Concert Association will be the famous piano-duet Bartlett and Robertson in May seventh at 8.15 at Grossmont auditorium.

These artists are famous for their impeccable musicianship and delightful personalities. They met at the Royal Academy of Music in London where they were both students under Tobias Matthay and were married shortly thereafter. Their rise to fame is based on a happy combination of superb performances and brilliant programs.

Rae Robertson served for two years in World War 1 where he was twice wounded and hospitalized for some time, later returning to the Royal Academy to finish his musical education. Since that time, he and his wife have given successful concerts in Europe, South America and the United States. They carry their twin Steinway grand pianos with them and have solved their transportation problem by having an especially built trailer where the pianos are housed. This new travel system guarantees perfect instruments and bookings are planned so that no date is more than two hundred miles apart. They have played eighty concerts on this present tour and after the May seventh concert, they will return to their home at Rancho Santa Fe for a brief vacation.

Hosts and hostesses for this occasion are Mr. and Mrs. Claude Beagle, Mr. and Mrs. James McDermott, Mrs. John H. Crippen and Mrs. R. Bruce Carmichael. Special flower arrangements are by Mrs. William Rotenberg.

P. T. A. Favors Community Center

The Parent Teacher Association reacted very favorably to the construction and development of the proposed Community Center at their meeting last Thursday evening. A formal vote was not taken to support this project. It is understood that this will be done at their next meeting which will be held in May.

Vroman J. Dorman member of the Community Center Committee of the Chamber of Commerce and also a member of the School Board of the Lemon Grove School District said that Lemon Grove had a wonderful opportunity to provide facilities for many community activities and organizations. He further said that we cannot afford to miss the opportunity to match the generous gifts of A. F. Sonka and the County with volunteer funds and labor. This statement was received most enthusiastically.

In response to dramatic appeal the Forward Club took formal action by a unanimous vote to suport the development of the Community Center. Jackson Ammons a member of the Board of Directors of the Chamber of Commerce emphasized the necesity of immediate action.

He stated that work must start within the next week or two. He further said that the funds available were not sufficient to complete the project without the volunteer help of the citizenry of Lemon Grove. Any one who wishes to give labor or cash should get in touch with Chris Ferguson, Chairman of the Community Center Committee imediately.

Ted Haaf President of the Chamber of Commerce said yesterday that the people of Lemon Grove were becoming more enthusiastic each passing day which is evidenced by the many offers to aid in the construction of the Community Center. He has faith that every one, young and old, will rally to the cause and really make this a community project.

An active music department at Grossmont High School is planning two concerts in the near future for the foothills school. Both presentations are to benefit the fund being collected to finish payments on Grossmont's newly acquired Hammond organ.

Included in the program will be such widely known favorites as "Beautiful Savior" "Hosanna" "Praise to the Lord" "Poo rWayfarin' Stranger" "Hear Me Pray" "The Wassail Song" and "My My Native Land" plus many othe favorits for young and old.

A general admission rate for the "Polyphonia" concert has set at $1.00, and members of Grossmont's "Red Robe Choir" and other musical groups are hard at work selling tickets to the event.

Following shortly on the heels of "Polyphonia will be Grossmont's own "Spring Concert," and will feature the famous "Red Robe Choir," "Girls' Glee Club," and "Double Ensemble" in a program of mixed favorites, which will be topped off by the first southern California Presentation of the Fred Waring arrangement of "The Nutcracker Suite"

Adding a special attraction of colorful ballet, staged by Grossmont students, the "Nutcracker Suite" will be enhanced by graceful dancing to the fiery "Trepak" and beautiful "Waltz of the Flowers."

Dr. Adams Grossmont Candidate For Lemon Grove

For the first time in history Lemon Grove's voice may be heard on Grossmont Union High School's board of trustees with the recent filing of the intention of Dr. Lloyd S. Adams, 3251 Kempf St. to offer himself as a candidate for election of the board.

Dr. Adams, who with his wife, the former Amorita Treganza is engaged in the practice of optometry, has responded to the call of Lemon Grove parents for a public-spirited, Civic-minded citizen to run for the office so that there may be Lemon Grove representation, as well as taxation.

Educational background of the candidate includes attendance at college of the Pacific at Stockton, University of California at Berkeley, and Los Angeles College of optometry, where he obtained his degree of Doctor of Optometry in 1943.

Dr. Adams is a member of the San Diego Optimist Club, whose main objective is "Friend of the Boy", thereby waging unceasing work in combating juvenile delinquincy. He is also a member of the San Diego Opeometris Association.

Owner of his home in Lemon Grove, Dr. Adams is a member of the Grove's C. of C. His son Robert attends Lemon Grove Elementary School.

Dr. Adams mother-in-law Mrs. A. O. (Trixie) Treganza, long time active member of the Lemon Grove C. of C. as secretary and president, has resided in Lemon Grove more than 25 years.
